On the Cover

The STINGRAY 206CC Deck Boat is brand new for 2017. This center console model is a cross between a family deck boat and a fishing boat, making it a great choice for those who like to participate in multiple on-the-water activities.

The 206CC seats up to nine people and boasts lots of storage space, keeping the deck space open for passengers to easily move about. Lift any seat aboard to find either storage space, a cooler, or a live well. Rod holders are abundant and conveniently placed around the vessel. Every inch has been thoughtfully considered to ensure maximum enjoyment on the water.

Abaco Green (new for 2017) is the color shown on the cover. STINGRAY's other new color (Ice Blue) can be seen on page 64.
